OUR ICE IS MADE FROM PURE DISTILLED WATER

Tulsa Ice Co. Phone 12

Are you a good guesser?

The General says:-No man living can take three different kinds of Roofing and determine in advance by such tests as bending, twisting, tearing, or smelling, how long each will last on the roof. The best you can do is to make a guess. That is why

# Certain-teed Roofing

is guaranteed by us 5, 10 or 15 years according to whether the thickness is 1, 2 or 3 ply. Most roofings look alike, and even trained chemiats can judge roofing quality only by the raw materials that are put into the roofing and not from the finished product. The responsibility of the biggest Roofing and Building Paper Mills in the world stand behind our guarantee and this makes it unnecessary for you to take the risk of guessing, Certain-teed Roofing has made good on the roof throughout the entire world. Ask your local dealer for further information. He will quote you reasonable prices.
